

# REGISTRATION - 2019

## REQUIREMENTS

Each school needs to provide a dance routine, musical theatre extract, drama piece, choral piece or a combination performing piece lasting between 2 - 5 minutes. Your group can be any size with a minimum of approximately 20 children. If you do have a large group (*over 50 children*), please let us know asap so that we can designate appropriate dressing room allocation.

On the day of the performance, each school must provide their own chaperones (*at least 1 chaperone for every 12 children*) and have all parent contact emergency details & medical conditions.

- **Schools are responsible for their own transport to and from the theatre**
- **SHOW DAY - Arrival mid to late afternoon. After your rehearsal, all schools remain in the theatre (*have their packed teas*) and move straight into the show. Schools must ensure they have all emergency contacts for each child in their group(s)**
- **The dress rehearsal (*the same day as the show itself*) will be photographed and these will later be sent to all schools free of charge**
- **The organisers of Class Act cannot be responsible for the arrival / dismissal of individual children. This is solely the responsibility of the participating schools**

You will receive a detailed schedule for the shows nearer the time, and every school is responsible to relay this information to their parents. The main focus of CLASS ACT is to help raise money for local schools, so the more parents watching, the more we can donate back to you.

If you have any queries, please do not hesitate to contact us. We look forward to working with you.
